

**Headline:** Woman Owned Frestedt Incorporated Obtains Two New Certifications & Looks to Expand

**Subhead:** Operations are on the rise and so is visibility.

**Author:** Frestedt Inc.

**28AUG2017 St. Louis Park, MN** – Frestedt Incorporated

In addition to their TUV SUD ISO9001:2015 certification, Frestedt Incorporated achieved certification as a Small Business Administration (SBA) Woman Owned Small Business (WOSB) and Women’s Business Enterprise (WBE) through the Women’s Business Enterprise National Council (WBENC) on July 28<sup>th</sup>, 2017. These certifications validate Frestedt Incorporated as a minimum 51 percent woman owned, controlled, operated and managed business. With operation already on the rise and recent certifications adding spotlight on the company and facilitating new opportunities, Frestedt Incorporated is looking to hire and expand their staff of clinical, regulatory, quality and engineering experts. “These certifications are a solid verification and validation of our past ten years developing good project with good people using good processes.” Said Dr. Frestedt

## About Frestedt Inc:

Frestedt Incorporated is an unparalleled consortium of over 70 knowledge experts working in an innovative, virtual setting to keep our service quality of the highest caliber and our costs as low as possible. The Frestedt Incorporated team works to solve problems with a forward thinking approach designed to provide all deliverables within tight timelines and budgets. We are a dynamic partner, focused on providing exactly the right solution to meet our client's needs and we hold ourselves to the highest standards in everything we do. We provide support in running clinical trials and negotiating with regulatory authorities, and we build quality systems and training sessions designed to secure the release of our client's products and claims to the market. In addition, we also provide support in creating literature reviews and clinical evidence reports for your specific needs.
